## *ESOL*

### **ESOL- English for Speakers of Other Languages**

These classes are based on the Headway books from Oxford University Press and are offered at all levels, from Beginner to Advanced. The **English Access** Certificate course in **ESOL** will develop your reading, writing, listening and speaking skills to the level of proficiency. This will enable you to interact with confidence socially, to further academic studies or enter into the business environment. The courses take place Mondays to Fridays 09h00 – 12h30. On Tuesdays and Thursdays there is an additional conversation class

After doing a placement test to assess their level, students join small classes taught by experienced and qualified teachers who are dedicated not only to ensuring the student's progress, but to making the learning experience relaxed and enjoyable. Frequent outings are arranged to places of interest in and around Johannesburg.

**English Access** is registered with **City & Guilds**, the largest qualifications provider in Britain. **City & Guilds** qualifications are recognized all over the world. **English Access** is also a Public Testing Centre for the **TOEIC** (Testing of English for International Communication) test. The test is

administered by **ETS** which is based in Princeton, USA. They also administer the **TOEIC Bridge** and **TFI (Test Français International)** tests which take place at the school (see testing dates on our website).
